Gongtonggo/Pronouns, demonstratives and correlatives

Search

Page theme default light dark

Reflexive pronouns

There are two reflexive pronouns in Gongtonggo. Each of them implies something different, but might be translated equally.

自分(지분) (litt 'oneself', from Sino-Japanese) is used to imply that the object is owned by the person, the stress is on the owner.

마이 (mai, from English-Japanese) is used to imply the fact that the object is something that is owned, in contrast to, for example, a rental.
